

# A Safety Net OF CARE

2017 ANNUAL REPORT

**HUMANE  
SOCIETY**  
OF BOULDER VALLEY

LETTERS FROM:

# Our CEO

## Dear Friends and Supporters,

Every day, I am inspired by the lifesaving work you make possible for the animals of the Humane Society of Boulder Valley and our community. Relationships blossom, adding new-found joy and love to families who adopt. Connections thrive, rekindling understanding and connections between pets and people through Training Center support. Fears are alleviated, providing lifesaving care and compassion when an animal needs expert medical resources. You make so much possible for pets and the people who love them.

Last year was another life-changing year for the animals and community of the Humane Society of Boulder Valley. Our tireless staff and volunteers worked to improve and enrich the shelter experience for pets in our care. We continued to support transfer partners and their shifting needs - increasing the number of felines transferred to HSBV and implementing two additional feline Behavior Modification programs to support them in our shelter and in their new homes. Your dedication ensures our innovative Shelter Medicine and Behavior Modification programs continue to improve lives and creatively support animals at HSBV - helping them successfully transition to a new home - or animals of our community - stabilizing, reconnecting and helping animals thrive with their families.

Celebrate everything you made possible in 2017 as you read through the pages of this Annual Report. We are incredibly grateful for your generous support and commitment to changing and saving the lives of those in need. Our community flourishes when we can offer a helping hand and strengthen loving bonds. Every day our community is filled with more love and kindness because of your support. Thank you, so much, for what you make possible.

Sincerely,

Lisa Pedersen  
CEO

## Dear Supporters,

It is my honor to address you as the Chair of the Board of Directors for the Humane Society of Boulder Valley (HSBV). Working with the staff, volunteers, donors and community members continues to be an enriching experience and shining example of our mission. The compassion in our community, and HSBV's skilled and dedicated team, ensures the animals and people of our community have an unwavering safety net when in need. It is your support that encourages new relationships to grow and remain life-changing between pets and the people who love them.

Each year, close to 7,000 animals enter the shelter seeking comfort, food, medical care, behavioral support, or a second chance at a happy life. The cornerstone programs of HSBV continue to motivate animal welfare organizations across the country and touch the lives of animals who need individualized care and attention to be successful in their next home. Hundreds of dogs and cats have entered new families thanks to the reward-based training techniques strategic care plans of their Behavior Modification program, while thousands more animals have received life-changing surgeries and treatments through HSBV's innovative Shelter Medicine program. And hundreds of families, who share the love of a beloved animal, have been touched by our suite of safety net services during times of personal emergency, crisis, or

financial hardship – keeping pets and people together, when they need each other the most. These programs guide animals on paths to the HSBV adoption centers and support the richness these unique, loving bonds with animals bring to our lives.

With my own cherished pets by my side, your commitment to our mission inspires all of us at HSBV. I hope this report reflects for you – like it does for me – what we can achieve for so many who call Boulder Valley home. Thank you, and I look forward to all we will continue to accomplish together.

Sincerely,

Elyse Foster, Harbor Financial Group, Inc.  
HSBV Board Chair

# Board Chair

DEDICATED TO HEALTHY  
RELATIONSHIPS BETWEEN

# Pets and People

Our mission is founded upon building and enhancing relationships between pets and people. Every day we work to build and strengthen these relationships, allowing them to thrive by providing support to sustain and protect them. From adoptions and lost and found services to dedicating resources to keep pets with their guardians in times of hardship, healthy relationships are the basis for everything we do. Last year, more than 5,000 animals found loving families of their own through our Adoption program. More than 800 lost and stray animals were safely reunited with their families through our Lost and Found services. Fostering richer and stronger bonds with their pets, over 3,000 guardians utilized the services of our Training and Behavior Center. Our Veterinary Clinic continued to ensure the health of over 6,000 pets, providing families with resources so their pets can live long, happy lives. Companion animals bring joy and love into the lives we share with them. Through these life-changing relationships, our lives are enriched and our community thrives.

# Lives Saved

BECAUSE OF YOUR SUPPORT

## Raphael

Raphael went on an extraordinary journey to make his way to the Humane Society of Boulder Valley and his new home – he hitched a ride in the wheel-well of a truck all the way from Castle Rock to Broomfield! Poor Raphael was found when the driver arrived at his destination and heard him cry out for help. A compassionate Animal Control Officer knew Raphael needed immediate medical care and brought him to the HSBV Veterinary Clinic. Upon his arrival, our skilled veterinary team quickly and expertly treated the painful burns on his paws from his harrowing trip. Over the following three weeks, Raphael spent time in our clinic receiving the best care possible for his injuries – gentle foot-baths to heal his paws, specialized antibiotics to prevent infection, regular bandage changes to promote healing – and, of course, a lot of love from our caring staff and volunteers. Soon, Raphael was back on his feet and moved into our Adoption Center – comfortable enough to play, jump, and knead plenty of kitty biscuits. After a traumatic arrival at HSBV, Raphael was adopted by local family, and is now enjoying a much-deserved safe and happy home.

## 2017 BOARD OF DIRECTORS

# Hero

Hero's resilience and tireless spirit, along with compassionate support of many staff and volunteers, helped him overcome the challenges of his young life. In March of 2017, our Transfer program responded to a partner organization's request for support of this sweet lab mix. At 4-years of age, Hero had been diagnosed with a congenital disease that had progressively left him completely blind. When he came to HSBV, our Behavior Modification program worked in tandem with our skilled Shelter Medicine program to develop an individualized care plan for Hero, ensuring his mental and physical well-being during his time at HSBV and setting him up to thrive in his future home. Hero's blindness and new surroundings caused his anxiety to persist, requiring our Veterinary team to develop a unique treatment plan to ease his restlessness and calm his fears. Every day, Training and Behavior staff and volunteers worked with Hero to help him learn how to navigate his world without sight, build his confidence around new experiences, and reward his successes. Together, our teams supported Hero's needs and helped him thrive while he awaited his new beginning. After 6 months of continued intensive care, Hero's family finally found their new companion. A true Colorado dog, Hero now lives his dream life with his loving family in the mountains of the Front Range. Your dedication to pets like Hero is life-changing to pets in need and the people who love them.

## Thank you

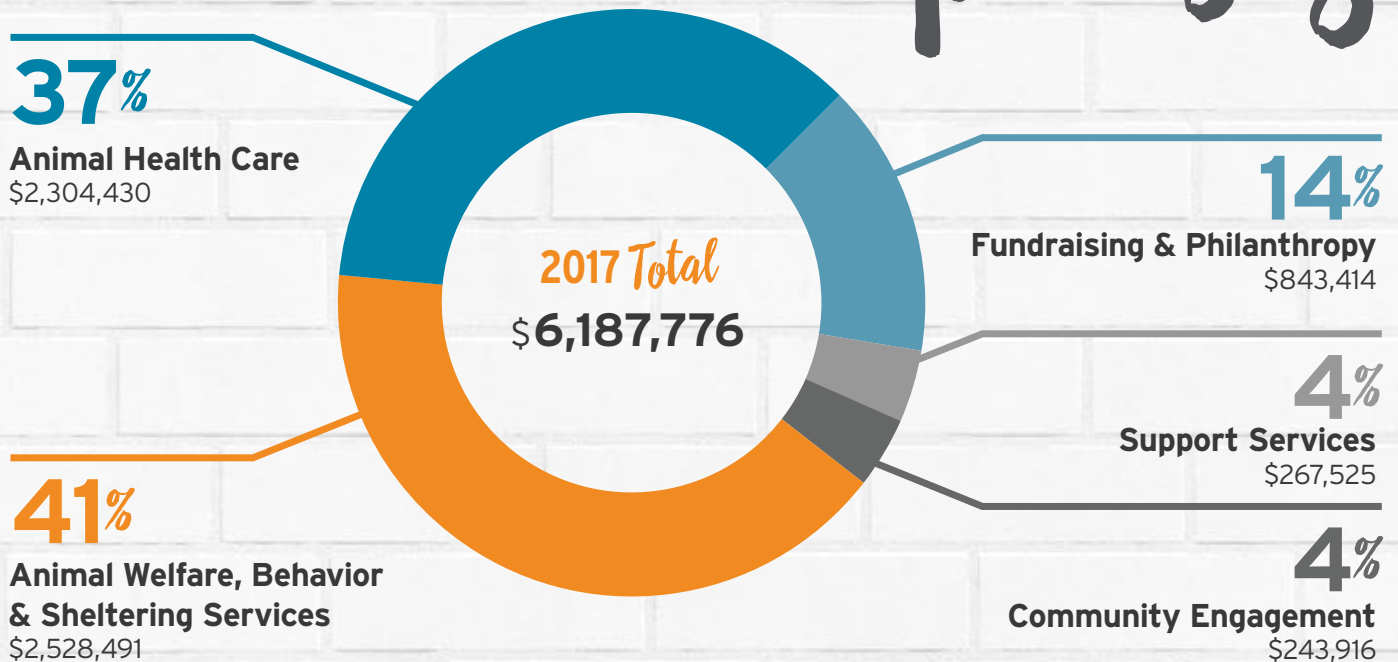

Because of your support for our innovative Shelter Medicine, Behavior Modification, Transfer and Safety Net programs, we are able to provide lifesaving care to the animals coming through our doors, giving them a healthy new start, or sustaining a unique, loving bond. We are dedicated to establishing individualized care and helping animals who facing various challenges – from therapy and medical trials that improve physical health, to reward-based training and kennel enrichment techniques that promote mental health. When families find themselves in times of crisis or need assistance, we can provide shelter, care, resources and a second chance to pets and families who need our help. As a result, we can safely and successfully place dogs, cats and small animals in new homes, build and sustain strong relationships in Boulder Valley. Together, we are enhancing the lives of animals, enriching our community and helping others.

# Your Legacy

Our Legacy Partners Program supports the long-term stability of the Humane Society of Boulder Valley by providing a sustaining stream of income to meet the increasing needs of animals and our community. By becoming an HSBV Legacy Partner you will be making history and strengthening the foundation of our future. The animals are counting on us to be there for them, now and always.

We invite you to invest in our future by becoming an HSBV Legacy Partner. Simply notify us that you are including HSBV in your will or estate plans – an incredible and enduring gift to animals in need who will rely on HSBV.

For more information, or to request our Planning Your Legacy brochure, please contact Lindsay Scott at 303.442.4030 ext. 655.

## Culture of Kindness – THANK YOU!

These friends of the animals have generously pledged multi-year gifts through our Culture of Kindness Campaign, providing sustained support for HSBV's cornerstone Behavior Modification, Safety Net, Shelter Medicine, and Transfer programs. Their commitment allows us to continue to deliver innovative, comprehensive programs for pets and people in need for years to come, ensuring our community can count on us for a helping hand, now and always.

For information on how to join our Culture of Kindness, please contact Lindsay Scott at 303.442.4030 ext. 655

## About HSBV

The Humane Society of Boulder Valley is a community supported, open-admission facility that provides shelter, medical care, and behavioral support for more than 7,000 animals a year. Since its inception in 1902, the shelter has become one of the most recognized nonprofit organizations in the Boulder Valley and a national leader in animal welfare. It is the mission of the Humane Society of Boulder Valley to protect and enhance the lives of companion animals by promoting healthy relationships between pets and people.
